TABLE OF CONTENTS FOR THE SOVIET PERIODICAL,
"MEDITSINSKAYA PARAZITOLOGIYA I PARAZITARNYYE BOLEZNI,"
VOLUME XVII, NO 6, NOVEMBER/DECEMBER 1948

The Soviet periodical, Meditinskaya Parazitologiya i Parazitarnyye Bolezni (Medical Parasitology and Parasitic Diseases), has not been received in this country since 1947, presumably because it was removed from the export list at that time. The table of contents presented here has been compiled from subject listings in the periodical Letopis' Zhurnal'nykh Statey (Annals of Articles Appearing in Journals).
